The Raise Your Glass Foundation

Welcomes You To Our Inaugural

Winter Gala

Saturday, January 26, 2013
Bridgewater, New Jersey

Toasting those who make the impossible, possible!

benefitting Shriners Hospitals for Children™

RaiseYourGlass.org
Dear Gala Attendees,

On behalf of the Raise Your Glass Foundation, we would like to welcome you to our inaugural Winter Gala benefiting Shriners Hospital in Philadelphia!

We are grateful for your attendance tonight, and look forward to it being a memorable evening. As you enjoy tonight’s entertainment, dine on delectable food and drink and take a chance at winning incredible items, we hope you’ll come away with a better understanding of why we created the Raise Your Glass Foundation and why we decided to raise awareness and funding for Shriners Hospital in Philadelphia.

Tonight, you are part of something special, in fact... something spectacular! Your attendance in support of our organization will help children continue to receive state-of-the-art healthcare from the professionals at Shriners Hospital in Philadelphia regardless of a family’s ability to pay! We hope you’ll join us as you “Raise Your Glass” to the hospital, doctors, nurses and therapists that worked a miracle for our son, Anthony John. Shriners’ patient centered, team approach to treatment yielded extraordinary results, and it is because of this that our team at the Raise Your Glass Foundation chose Shriners Hospital in Philadelphia as our Winter Gala benefactor!

Your generosity in supporting our foundation’s efforts will allow other children born with orthopedic/spinal conditions the opportunity at leading an independent life.

It was nearly one year ago when the Raise Your Glass Foundation was established, and our dream of giving back to those who made the impossible, possible in our son’s life began. We have much to celebrate, both as parents and as chairmen of this tremendous organization filled with volunteers that have gone above and beyond to make tonight a reality. It is our hope that you enjoy this evening, and most importantly, raise your glass to those that help children lead healthier, stronger lives!

Cheers!

A MESSAGE FROM THE CO-CHAIRS

Adam Yenish                        Danielle Gagliano-Yenish
Chairman                           Co-chair
Harold van Bosse, MD, has headed up the Arthrogryposis Center at Shriners Hospitals for Children since arriving in Philadelphia in 2008. The goal of the Center is to allow a child with arthrogryposis to reach their fullest potential, both by addressing their limb deformities, as well as helping to restructure their world wherever possible. Each problem is addressed in a multi-disciplinary process, ensuring proper consideration of how the problem, as well as the treatment, affects the child. Treatment modalities include physical and occupational therapy programs, casting, bracing, and surgical intervention. The center has been privileged to treat patients from across the United States, as well as South America and Europe.

Originally a mid-Westerner, Dr. van Bosse completed his undergraduate studies at the University of Illinois, where he received a B.S. in biology and a B.A. in psychology. He then completed his doctorate of medicine at University of Illinois College of Medicine in Chicago. His “orthopaedic pedigree” includes his residency in orthopaedics at the University of Illinois-Chicago, College of Medicine, and his fellowship at The Hospital for Sick Children, Toronto, Ontario.

Prior to joining the staff at Shriners Hospitals for Children, he was an attending pediatric orthopaedic surgeon at New York University Hospital for Joint Diseases and New York University Medical Center, in New York, for a decade. It was there that he developed a passion for treating children with arthrogryposis. He is a member of several professional organizations including the American Academy of Orthopaedic Surgeons, Pediatric Orthopaedic Society of North America, and the Ponseti International Association. He proudly is a member of the Arthrogryposis Multiplex Congenita Support, Inc., Board of Directors. Whenever possible, Dr. van Bosse participates in medical missions to underserved countries. He could not have gotten this far without with support of his wife, Ana.

Dr. Harold van Bosse

Shriners Hospitals for Children® staff of nationally and internationally known professionals specializes in pediatric spinal cord injuries, spine problems, and upper and lower extremity conditions. In addition to treating children with routine and complex orthopaedic problems, our specialized services include a comprehensive inpatient and intensive day rehabilitation program for children and adolescents.

Each year thousands of children receive life-changing specialty orthopaedic care at Shriners Hospitals for Children. Patients come from Pennsylvania, New York, New Jersey, Delaware, Maryland, Virginia, and throughout North America.

Care is based solely on medical need. Children up to age 18 are eligible for care if there is a reasonable possibility they could benefit from the specialized services available. All care is provided regardless of the patients’ ability to pay.

Shriners Hospitals for Children has special expertise in the following areas:
- Arthrogryposis
- Brachial Plexus and Birth palsy injuries
- Cerebral Palsy
- Hand problems
- Upper/Lower Extremities problems
- Limb deficiencies/discrepancies
- Pediatric spine including: scoliosis, kyphosis, and spinal problems
- Spinal cord injury

For a complete list of conditions visit the website or call for more information.

Shriners Hospitals for Children is committed to conducting high quality, innovative research in the areas of orthopaedic/musculoskeletal and neurological injury and disease in order to improve the care and quality of life of children coping with these conditions and challenges. In addition to research that is conducted, Shriners Hospitals for Children is proud of its role in medical education. By maintaining relationships with more than 60 medical teaching facilities, Shriners Hospitals for Children fosters an academic environment committed to providing high-quality education for its medical staff and expert care to all patients.

Cheers!

I'm beautiful in my way, 'cause God makes no mistakes. I'm on the right track...I was Born This Way.
-Lady Gaga

Here's to you, AJ! ~Kari Woodell

You have to be unique, and different, and shine in your own way. -Lady Gaga

Cheers, AJ! ~Kari Woodell

We would like to wish Dr. vanBosse and his new family good health and abundant happiness in the coming years. We also would like to thank you for making the impossible, possible in our grandson's life!
- John and Gloria Yenish

To AJ's therapists... We say “THANK YOU” for all of your efforts! Your knowledge of how to treat AJ astounds us and your work has helped Dr. vanBosse achieve his goals for AJ! Bravo!
- John and Gloria Yenish

To AJ, we say, “GO! GO! GO!” Grandma and Grandpa are just so proud of you and love you to pieces! You're the best! –Grandma and Grandpa Yenish

AJ has come such a long way and continues to make wonderful progress due to the tenacity and fierce determination of his parents, the fantastic support from Shriners Hospital in Philadelphia, and AJ’s awesome personality. He is a true inspiration to us all and I couldn’t be more proud of my Godson.
-Jennifer Bradley

AJ, Mommy and Daddy are brought to tears when we think of how far you’ve come! We pray that you continue to inspire others with your story of courage and determination. What we see through our eyes is “beautiful in every way, you’re on the right track baby, you were born this way” for a reason!
May God Bless You ALWAYS!
-Mommy and Daddy

“Raise your glass” to brighter futures for children!
-David and Nancy Braunstein

Thanks to Dr. vanBosse and the staff at Shriners Hospital for helping our grandson, Anthony John, do the things others take for granted. The work that you do is a gift from God! You are all truly amazing!!!!
-Pop Pop and Grandma Gagliano

To AJ’s Therapists, Kari, Lisa, and Melissa...we are so blessed that you chose to work with AJ for three years. Tonight, we celebrate your accomplishments in helping improve the lives of children. Each day, you walk into homes and try to help children lead independent lives. You have become our family and we raise our glass to you... tonight, and always!

Dr. vanBosse and the Staff of Shriners Hospital Philadelphia.

Tonight we celebrate all that you do: all the little things that people take for granted in life...the ability to receive health care, to walk, to run, to live independently! For us, you’ve given our son this opportunity. We are forever indebted to you for the miracle you’ve accomplished! We toast you all and THANK YOU for making the impossible, possible in the lives of children!
